IISHF Development Officer - (DO). Job description

The **International Inline Skater Hockey Federation (IISHF – www.iishf.com)** is the governing body for skater hockey worldwide. The IISHF organizes 9 international Title Events per year and aims to grow in new markets. Under the auspices of the Vice President the IISHF is looking for a Development Officer (DO) to increase interest in the sport and grow capacities in existing and new member countries.

Responsibilities:

- Gather and analyze statistical records to aid IISHF strategic decision making.
- Gather international best practices and facilitate their adoption & implementation.
- Develop growth strategy for IISHF and consult national federations & clubs in their development.
- Explore international donor organizations and funding schemes (grants for infrastructure, education & exchange programs, etc.).
- Develop and realize capacity development activities (infrastructure, officials, referees, coaches, players).
- Facilitate the development of promotional materials.
- Liaise with international sport bodies, national member federations and clubs.

Qualifications expected: (to be met best way possible)

- Passion for skater hockey.
- Must have a business mindset, strong analytical capabilities and strategical thinking.
- Must have excellent organizational, time management and interpersonal skills.
- Strong communicator who works well independently and with a team/partners.
- Must be resourceful and take initiative proactively even with minimal direction.

The position is an honorary activity with allowances granted in connection with official IISHF events. If you are interested, please apply per email with a current CV and motivation letter to office@iishf.com. Deadline for applications 30th of June, 2020.
